STAT

We would like an ICS Certificate of Appreciation for of CIA to recognize his contribution to Community security and the DCI Security Committee. served as the Chairman of the SECOM Personnel Security Subcommittee from April 1985 through January 1986. As Chairman, helped improve the course context of the SCI Adjudicators' Seminar series, and participated in three highly successful seminars for approximately 75 Intelligence Community security personnel during 1985. guided his subcommittee in developing several significant revisions to DCID 1/14 concerning SCI personnel security policy. He has been most helpful in responding to SECOM tasking and in developing workable approaches to complex personnel security issues.

has been reassigned within the CIA Office of Security and is no longer available to chair the Personnel Security Subcommittee. His efforts warrant recognition. Will you kindly seek the necessary approval for issuance of the certificate? I tentatively plan to host an informal luncheon in honor on 19 February 1986.
